## PROFESSIONAL PROFILE

A Software Developer looking for a position that is related in my skills in the tech department where I can utilize the extensive knowledge I have gained while developing web and mobile applications.

## EDUCATION

### Bachelor of Science in Information Technology

Batangas State University (2019 - 2023)

- Major in Business Analytics
- GWA: 1.8

## EXPERIENCE

### Nittiv

Lead Flutter Developer

August 2022 - August 2023

- Built the entire mobile application from scratch into a functional application.

### KaHero

React Developer Intern

January 2023 - May 2023

- Converted depreciated Redux code to new code, increasing code quality and maintainability.
- Fixed bugs that affect the user experience, boosting the user experience.
- Developed a feature that guides first-time users throughout the system, boosting sales and creating happy users.
